WELCOME TO GARDEN EXTERIORS

We are a family owned and run business. Established in 1999, we are passionate about our unique Garden Structures and providing a personal service.

We are the only supplier of Authentic Arctic Structures in the UK. Every single one of our Garden Structures is meticulously handmade to order within the Arctic Circle just for you.

ALL OF OUR GARDEN STRUCTURES ARE:

- Manufactured in Sweden using time-honoured, traditional techniques passed down through generations of Scandinavian tradesmen.
- Made from sustainably sourced FSC Scandinavian Redwood so you can be confident they are eco-friendly.
- Built to withstand the severe climatic conditions of the Arctic Circle so they are warm in the winter and cool in the summer.

THE GARDEN STUGA

Exclusive to Garden Exteriors and with its striking contemporary lines, the Garden Stuga is perfect for 21st century outdoor living.

Built to the same exacting, traditional Arctic standards as our Garden Lodges & Rooms, the Garden Stuga has been specifically designed to maximise the natural light available via the two, stunning, double-glazed tinted picture windows.

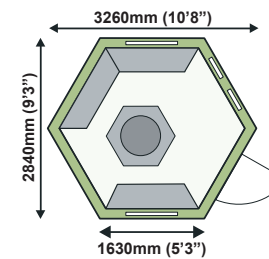

Innovative design means that you lose none of the floor space and layout of the Garden Lodges and gain the sleek, modern look to complement your outside space and lifestyle.

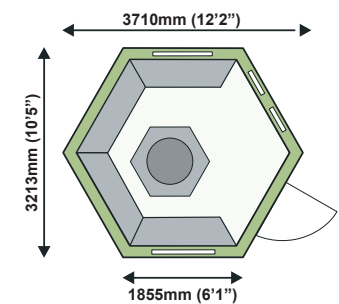

The Stuga is fully protected by the EUIPO, it is not available through any other company or distributor. The Stuga range of buildings are fully protected by international law.

Garden Structures you can use all-year round.
